

## Background

The Los Angeles Street Furniture Program was conceived and approved by the Los Angeles City Council, and is monitored by the City through the Bureau of Street Services. The program is a joint effort of City officials and staff, representatives of the city's many districts and neighborhoods, and the Viacom Decaux team.

CBS/Decaux has worldwide experience working with more than 1400 communities around the world to implement and manage similar programs, including those in San Francisco, Sydney, London, and Paris.

## Program Overview

The Coordinated Street Furniture program includes:

- 2500 Transit Shelters
- 600 Public Amenities Kiosks (PAK)
- 150 Automatic Public Toilets (APT)
- 100 Vending Kiosks

• Plus 1000 "City Amenity Components" (CAC) integrated with the above furniture

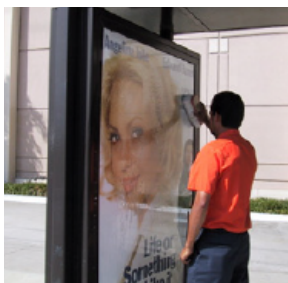

CBS/Decaux is responsible for providing, installing and maintaining all the equipment in first class condition. This program is run at no cost to the City, which also receives a guaranteed:

• \$150 million in shared revenue.
